KIDS' QUILT TRUNK SHOW!

Samples make all the difference! These bold, kid-friendly designs with an emphasis on solids are sure sellers. And they are easy-to-make row quilts. **All four quilts** are included in the show. Sign up now and we'll guarantee that you can display them in your shop for at least **one month**.

In return we ask that you:

- purchase **6 patterns** of each quilt.
- pay shipping to the next trunk show location
- agree to pay for any lost or damaged items (we suggest insuring for \$400)
- ship in timely fashion—someone else is looking forward to hosting the show!
- let us know via email when the trunk show arrives and when it is sent on.

To book your trunk show please email Rebecca at **rebecca.greenleaf@comcast.net** or call 360/456-5171. In Canada, contact Just It Distributors at **info@justitdist.com**

Thanks!
